36. Defendants' failure and refusal to pay Plaintiff demonstrates that Defendants are failing to maintain sufficient assets in the statutory trust to pay Plaintiff and are dissipating trust assets.

37. The failure of Defendants to make payment to Plaintiff of trust funds in the full amount owed from the statutory trust is a violation of PACA and PACA regulations, and is unlawful.

FOURTH CAUSE OF ACTION

(Breach of Fiduciary Duty Against All Defendants)

41. Plaintiff realleges and incorporates by reference the allegations contained in paragraphs 1 through 40 of this Complaint, as if fully set forth herein.

42. Under the parties' contract and PACA, Defendants were Plaintiff's agent(s) for the marketing, distribution, and sale of the organic raspberries, blueberries and blackberries in the United States. Defendants were a fiduciary of Plaintiff and had a duty to act in good faith on behalf of Plaintiff, including utilizing their best selling efforts with respect to Plaintiff's produce, fully and accurately accounting for each sales transaction and all related costs or charges, and promptly and fully remitting

1 sums due under the terms of the contract or from the sale of Plaintiff's organic raspberries, blueberries
2 and blackberries.

3 43. Upon information and belief, Defendants breached their fiduciary duties to Plaintiff by 1)
4 making false and misleading statements in connection with its handling of the organic raspberries,
5 blueberries and blackberries, 2) by failing to fully and promptly pay Plaintiff in connection with
6 Defendants' handling of the organic raspberries, blueberries and blackberries, 3) by failing to properly
7 market Plaintiff's organic raspberries, blueberries and blackberries at the best available market prices,
8 4) by failing to properly account to Plaintiff in connection with Defendants' handling of Plaintiff's
9 organic raspberries, blueberries and blackberries and 5) for failing to perform other duties arising out of
10 the parties' relationship and imposed upon them by PACA.

11 44. Defendants acted with malice, fraud and/or oppression in its breaches of their fiduciary
12 duties owed to Plaintiff, such that an award of punitive damages is justified.

13 45. As direct and proximate result of Defendants' breaches of their fiduciary duties to Plaintiff,
14 Plaintiff has suffered damages in excess of \$75,000.00 and in an amount to be proven at trial.

15 **FIFTH CAUSE OF ACTION**

16 **(Constructive Fraud Against All Defendants)**

17 46. Plaintiff realleges and incorporates by this reference the allegations contained in
18 paragraphs 1 through 45 of this Complaint, as if fully set forth herein.

19 47. Defendants were Plaintiff's fiduciaries and had a duty to act in good faith on behalf of
20 Plaintiff in all transactions connected with the Defendants' handling of Plaintiff's produce.

21 48. Defendants breached their duties to Plaintiff, by failing to properly account to Plaintiff for
22 charges and costs on Plaintiff's account with Defendants, by not disclosing their failure to properly
23 market Plaintiff's organic raspberries, blueberries and blackberries at the best market prices and through
24 other actions which violated Defendants' duties to Plaintiff.

25 49. These actions by the Defendants constitute a failure to disclose material facts to their
26 principal, Plaintiff. Defendants failure to disclose material facts to Plaintiff mislead Plaintiff and its
27 agents to Plaintiff's prejudice.

28 ///

50. Defendants acted with malice, fraud and/or oppression in their concealment of material facts from Plaintiff, such that an award of punitive damages is justified.

51. As a result of Defendants' failure to disclose material facts related to the handling of Plaintiff's organic raspberries, blueberries and blackberries, Plaintiff has been damaged in excess of \$75,000 and in an amount to be proven at trial.

SIXTH CAUSE OF ACTION

(Conversion Against All Defendants)

52. Plaintiff realleges and incorporates by this reference the allegations contained in paragraphs 1 through 51 of this Complaint, as if fully set forth herein.

54. Plaintiff is owed the proceeds from the sale of the organic raspberries, blueberries and strawberries, and is entitled to possession of said proceeds from Defendants.

SEVENTH CAUSE OF ACTION

(Goods Had and Received Against All Defendants)

55. Plaintiff hereby realleges and incorporates by reference paragraphs 1 through 54, inclusive of this Complaint as though fully set forth herein.

56. During 2008, Plaintiff caused its raspberries, blueberries and blackberries to be shipped to Defendants for sale in the United States. Defendants accepted the delivery of these goods but have not paid for them. As such, Plaintiff is entitled to be paid for all goods delivered to Defendants and accepted by Defendants.

EIGHTH CAUSE OF ACTION

(Unjust Enrichment and Constructive Trust Against All Defendants)

57. Plaintiff hereby realleges and incorporates by reference paragraphs 1 through 56, inclusive of this Complaint as though fully set forth herein.

58. In the above transactions, Defendants received a benefit from Plaintiff. Plaintiff delivered its organic raspberries, blueberries and blackberries to Defendants with their consent. Defendants then sold Plaintiff's produce in the United States and retained proceeds from sales without compensating

1 Plaintiff for the net amount of each sale of Plaintiff's produce, after deducting the agreed upon 8%
2 commission.

3 59. Plaintiff has suffered a legal detriment. Defendants have failed and refused to remit the
4 sums due under the terms of their agreement with Plaintiff for the consignment, marketing, and sale of
5 it organic raspberries, blueberries and blackberries in the United States. Plaintiff has repeatedly
6 demanded that Defendants pay the amounts due and owing and provide a full accounting.

7 60. Defendants' retention of sums gained through the sale of Plaintiff's organic raspberries,
8 blueberries, and blackberries at the expense of Plaintiff is unfair. Defendants received marketable product
9 from Plaintiff which they then sold to their customers. Defendants retained the purchase price of
10 Plaintiff's organic raspberries, blueberries and blackberries without compensating Plaintiff.

11 61. Based upon the actions of Defendants, Defendants should be forced to disgorge the full
12 value of the benefit they received from the sale of Plaintiff's organic raspberries, blueberries and
13 blackberries.

14 62. By reason of the wrongful manner in which Defendants deprived Plaintiff of the benefit
15 of their bargain with them, Defendants are involuntary trustees holding a sum to be determined at trial,
16 the profits and interest therefrom, and any other property purchased therewith, in constructive trust for
17 Plaintiff, with the duty to reconvey the same to Plaintiff.

18 **NINTH CAUSE OF ACTION**

19 **(Accounting Against All Defendants)**

20 63. Plaintiff hereby realleges and incorporates by reference paragraphs 1 through 62, inclusive
21 of this Complaint as though fully set forth herein.

22 64. At all times mentioned herein, Defendants were engaged in the handling of produce in
23 interstate and/or foreign commerce as commission merchants, dealers and/or brokers, subject to the
24 provisions of PACA and the regulation promulgated by the Secretary of Agriculture of the United States
25 of America pursuant to PACA.

26 65. In 2008, Plaintiff and Defendants entered into a oral agreement in which Defendants
27 agreed to accept Plaintiff's fresh organic raspberries, blueberries and blackberries on consignment for sale
28 in the United States. Defendants agreed to market the produce at the best available market price and to

1 pay Plaintiff all proceeds from these sale, minus a commission of 8%.

2 66. Defendants in fact took delivery of Plaintiff's produce on consignment for marketing,
3 distribution, and sale in the United States. Despite repeated requests, Defendants have failed and refused
4 to pay Plaintiff the proceeds from the sales of its produce which are now due to it.

5 67. Defendants' obligations under the contract and pursuant to PACA included the duty to
6 truly and correctly account and make full payment promptly in respect to the fresh produce that Plaintiff
7 shipped to Defendants. See 7 C.F.R. § 46.2(z) & (aa). Despite repeated requests, Defendants have also
8 failed and refused to account to Plaintiff for their handling of Plaintiff's produce and all sales of the
9 produce.

10 68. The exact amount of money due from Defendants to Plaintiff is unknown to Plaintiff and
11 cannot be ascertained without a full and complete accounting by Defendants for their handling of
12 Plaintiff's organic raspberries, blueberries and blackberries.

13 69. Plaintiff has repeatedly demanded that Defendants account for the aforementioned
14 transactions and pay the amount found due to Plaintiff, but Defendants have failed and refused, and
15 continue to fail and refuse, to render the accounting and to pay Plaintiff.

16

17

18 **WHEREFORE**, Plaintiff prays for judgement as follows:

- 19 1. For compensatory damages in an amount to be proven at trial;
- 20 2. For punitive damages in an amount to be proven at trial;
- 21 3. For attorneys fees incurred in connection with this matter;
- 22 4. For the costs and expenses incurred in connection with this matter; and
- 23 5. For such other and further relief as the Court may deem proper.
